

Template ticket 104 x 70 mm

2551 x 1748 pixels

- 1/ Adjust the dimensions of this sketch to 108 x 74 mm at 600 dpi, or directly to 2551 x 1748 px.
- 2/ Draw your ticket within the blue frame of 100 x 66 mm. Don't worry about the hidden variations for now.
- 3/ Only extend the background of your drawing to the green outer frame of 108 x 74 mm (bleed area after cutting).
- 4/ Finally, mask all elements of this template and save only your drawing of 108 x 74 mm in PDF format (keeping the most vectorized elements possible) or JPG.

Note: The cut ticket measures 104 x 70 mm (red frame).

Gray scratch area :

Let your background visual extend here without any hidden messages yet. We will add a light grey background and the hidden messages here on our side.

OR

CMYK scratch area :

The part of your image in this area will become scratchable.
